

CONTEXT

I did this internship during my 2nd year at EPITECH. it lasts 6 months from July to December 2019.

I worked most of the time in Paris with the team

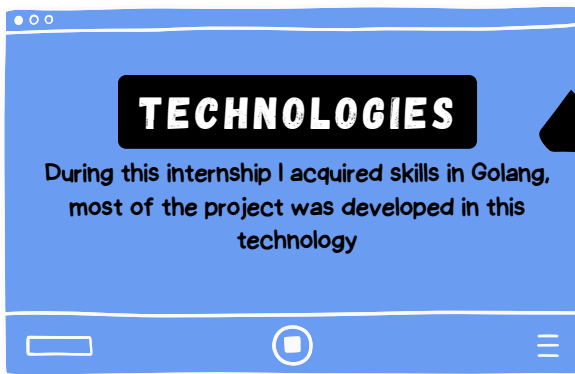

This block represents a mobile application window with a blue background and a white header. It contains the title 'CONTEXT' in a black box, followed by two paragraphs of text. At the bottom, there is a white navigation bar with three icons: a rectangle, a circle, and a hamburger menu.

TEAM

I joined the team composed by 5 other people. I was a part of the development team. We used to work in sprints adapting the Agile methodology.

This block represents a mobile application window with a blue background and a white header. It contains the title 'TEAM' in a black box, followed by a paragraph of text. At the bottom, there is a white navigation bar with three icons: a rectangle, a circle, and a hamburger menu.

TECHNOLOGIES

During this internship I acquired skills in Golang, most of the project was developed in this technology

This block represents a mobile application window with a blue background and a white header. It contains the title 'TECHNOLOGIES' in a black box, followed by a paragraph of text. At the bottom, there is a white navigation bar with three icons: a rectangle, a circle, and a hamburger menu.

OX10

INTERNSHIP : 2019

This block represents a mobile application window with a blue background and a white header. It contains the title 'OX10' in a large, bold, black font, followed by the subtitle 'INTERNSHIP : 2019' in a smaller, bold, black font. At the bottom, there is a white navigation bar with three icons: a rectangle, a circle, and a hamburger menu.

PROJECT

I worked on BrandVNO, the main project of the company.

The project was to offer the possibility to companies to be a telecom using BrandVNO

This block represents a mobile application window with a blue background and a white header. It contains the title 'PROJECT' in a black box, followed by two paragraphs of text. At the bottom, there is a white navigation bar with three icons: a rectangle, a circle, and a hamburger menu.

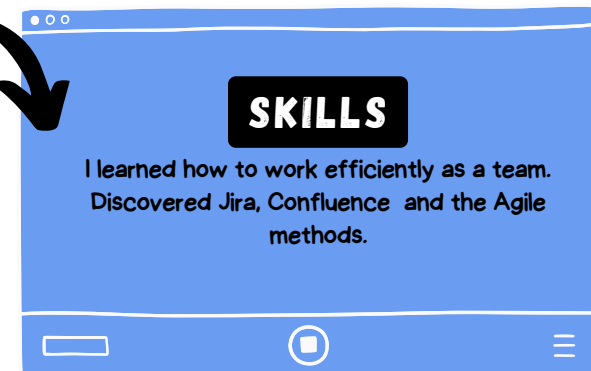

LEARNING

I learned how to work on a micro-service project with other developers.

I used different kind of databases : MySQL, PostgreSQL, MongoDB...

This block represents a mobile application window with a blue background and a white header. It contains the title 'LEARNING' in a black box, followed by two paragraphs of text. At the bottom, there is a white navigation bar with three icons: a rectangle, a circle, and a hamburger menu.

SKILLS

I learned how to work efficiently as a team. Discovered Jira, Confluence and the Agile methods.

This block represents a mobile application window with a blue background and a white header. It contains the title 'SKILLS' in a black box, followed by a paragraph of text. At the bottom, there is a white navigation bar with three icons: a rectangle, a circle, and a hamburger menu.
